Title:	Senior Lecturer in Paramedic Practice
Grade:	8 / 9
Hours:	Full Time
Contract:	Permanent
Location:	St James', Manchester

About the University

Edge Hill University is an ambitious institution, based on an attractive, award-winning 160-acre campus in Lancashire, close to Liverpool and Manchester. The University aspires to combine excellent research of reach and significance with a world-class student experience.

Edge Hill University is ranked as Gold in the Teaching Excellence Framework (TEF), the government's evaluation of excellence in teaching quality, learning environment and student outcomes. The University also appears in the Times Higher Global Rankings (801-1000).

Edge Hill University was named Modern University of the Year in the Times and Sunday Times Good University Guide 2022 and shortlisted for the overall UK University of the Year award. With this award the University was called 'one of the shining stars of the modern university sector'. The award has come closely after Edge Hill was awarded University of the Year in the Educate North Awards 2020/21. The University has previously held the coveted UK University of the Year title, awarded by Times Higher Education in 2014/2015.

Other recent successes include a Global Teaching Excellence Spotlight Award (2018) from Advance HE in association with Times Higher Education, being ranked in the top 10 for teaching by the Times/Sunday Times Good University Guide 2017, top in the North West for student experience (Time Higher Education 2017), and top in the UK for student accommodation in the 2017 WhatUni Awards.

Edge Hill University has achieved both Athena Swan Bronze and the European Commission's 'HR Excellence in Research Award' (first awarded 2018 and reawarded 2021), which acknowledges alignment with the principles of the European Charter for Researchers and Code of Conduct for researcher recruitment. The process incorporates both the QAA Code of Practice for Research Degree Programmes and the Concordat to Support the Career Development of Researchers.

Reward:

We want you to feel happy when you come to work and proud when you go home. From the moment you join us you have the opportunity to enhance your skills. We offer a range of specialist development sessions and academic development opportunities along with an award winning and comprehensive staff health & wellbeing programme (HR Excellence Awards 2017). This means you will receive a full academic induction, be enrolled if appropriate on our PGCTHE, benefit from the Edge Hill University CPD scheme (UKPSF) and our annual University Learning and Teaching day all to support your professional development.

This is just a taste of what we are able to offer you at Edge Hill University.

About You

You will be an enthusiastic and friendly professional with excellent communication and interpersonal skills coupled with a commitment to providing an excellent student experience. An established or promising research profile in out of hospital care and very

good teaching experience on undergraduate paramedic programmes is essential. A background in wider Allied Health Professions with supporting qualifications and experience would be an advantage.

To be successful you will further enrich our students' experience through your expertise and subject knowledge as evidenced through your qualifications and experience. In return, you will join a forward thinking and dynamic team that pushes the boundaries of curriculum development within paramedic practice.

About the Job

You will be required to make a significant contribution to the delivery of our BSc (Hons) Paramedic Practice programme, contributing to the delivery of our modules on paramedic practice and other areas of our core curriculum depending on your areas of expertise and experience. We would particularly welcome candidates who could teach one or more of our other professional programmes.

You will be expected to contribute to the research activities of one of our Research Units, and to meet the qualitative and quantitative requirements for submission to the next Research Excellence Framework.

Duties and responsibilities (Grade 8)

The duties and responsibilities of this post are as follows. The post holder will be expected to carry out the following as and when required.

As a Lecturer you will:

Teaching and Learning / Scholarship

- Contribute to the curriculum development of the Subject/Department academic programmes and wider Faculty where appropriate, producing high quality, innovative teaching and learning material, informed by research and professional practice (where appropriate) to support and develop student learning, engagement and application in practice (where appropriate) at undergraduate and post graduate level;
- Enhance the quality of education and provision by ensuring that you maintain high standards of learning and teaching;
- Use teaching and learning strategies, which encourage student involvement and advance their independent learning, adapting delivery to suit learners' needs;
- Engage in subject professional and pedagogy research and/or scholarship as required to support teaching activities;
- Contribute effectively to the design, planning and administration of the curriculum including preparation of your own teaching and learning materials and course documentation;
- Contribute effectively to curriculum delivery, at the modular level, taking lead responsibility, where appropriate, within undergraduate and/or postgraduate levels;

Student Support

- Effectively oversee the welfare, progress, examination, assessment and marking of the students as designated by the Head of Department (or their deputy);
- Provide effective support to individual students and groups of students in accordance with Edge Hill University's procedures, referring students to further support services as appropriate;
- Promote the work of the University and participate in the recruitment, selection and induction of students;
- Undertake, as and when required, and in accordance with Edge Hill procedures, personal tutor responsibilities (academic and pastoral);

Support learning in practice, including placement/mentor preparation and practice audits (where appropriate).

Research (for those with Significant Responsibility for Research)

- Publish, or show evidence of working towards publication of research consistent with the department's priorities in appropriate peer-reviewed journals;
- Begin to develop and maintain links with cognate disciplines within the Faculty, University, Industry and the Community as part of a coherent research-dissemination strategy;
- Collaborate with colleagues to identify and make credible bids for external funding through research grants and contracts and in developing collaborative research income- generating ideas.

Leadership / Service / Externality

- Be an active member of relevant Departmental/Faculty/Institutional committees and contribute to partnership working with external colleagues and service users (where appropriate);
- Contribute to faculty business, project management and/or enterprise;
- Assist in student recruitment activities including Open Days, interviews or auditions;
- Engage in appropriate training programmes provided by the University such as preparation for VASP membership;
- Establish networks (professional and academic) to maintain currency and personal development;
- Carry out any other duties as reasonably requested by Head of Department. Generally, these will be relatively limited in order to allow the role holder to take advantage of planned developmental and research opportunities.

Duties and responsibilities (Grade 9)

The duties and responsibilities of this post are as follows. The postholder will be expected to carry out the following as and when required.

- Take an advisory role in complex cases of support for a student.

Research (for those who have Significant Responsibility for Research)

- Publish and disseminate the results of research in peer-reviewed journals or other appropriate outlets of recognised academic quality in line with area of expertise;
- Contribute effectively to, and lead as appropriate, research and/or enterprise projects including identifying and making credible bids for funding to support the projects;
- Enhance and maintain links with cognate disciplines within the Faculty, Institution, Industry and the Community;
- Apply for grant funding and manage, as appropriate, any grants which are secured;
- Supervise and manage research projects if required.

Leadership / Service / Externality

- Seek to enhance the quality of education and provision by ensuring that high standards of teaching and learning are maintained on the relevant courses to which they contribute;
- Co-ordinate others to ensure module(s) are delivered to the standards required and to identify & respond to students' needs;
- Lead on quality assurance and course evaluation, including facilitating student feedback;
- Contribute effectively towards the development of the Department including taking lead responsibility for nominated projects and participating in VASP committees;
- Responsible for the overall quality auditing of course provision to identify areas where current provision is in need of revision or improvement;
- Develop others with ability to mentor colleagues in developing both their research agendas as well as teaching portfolios.
- Be a fully active member of relevant Departmental/Faculty/Institutional business/committees and contribute to partnership working, projects and enterprise activity with external colleagues and service users (where appropriate);
- Promote the work of the Institution and participate in the recruitment, selection and induction of students;

- Participate in and develop additional external networks/operational links to further the development and reputation of the department and of the University;
- Effectively manage relationships with key stakeholders;
- Take part in relevant internal boards, committees and working groups as required;
- Organise and administer tasks in an efficient and effective manner;
